

The Challenges

Next Day Access - North Houston needed to set up dumpster service, but was hesitant to continue with their building's former waste provider. The previous tenant cited high prices, inconsistent pickups and an old, leaking dumpster as common issues.

The medical equipment manufacturer and installer wanted to avoid these challenges and partner with a trusted waste partner to save time and money and receive excellent, best-in-class customer service. That's when they turned to Dumpsters.com.

The Solutions

When Next Day Access partnered with Dumpsters.com for waste removal service, they received:

**One dedicated
account manager**

**Responsive, dependable
customer service**

**Competitive,
flat-rate pricing**

The Results

Next Day Access – North Houston now enjoys:

- **Time savings**
- **Consistent trash pickups**
- **A clean and orderly parking lot**
- **\$1-4.5K in bottom-line costs saved**

The Experience

“Moving our business to Dumpsters.com was very easy. I never had to ask anyone to go above and beyond.”
