

The Challenges

North Coast Commercial LLC, a real estate firm that manages apartment buildings, was looking for a new waste provider. Their previous provider kept raising prices and charging fees for things like fuel and administrative services. Dumpster pickups were commonly missed due to bad weather, with no one to call.

The Solutions

The real estate company saw immediate results by switching to Dumpsters.com. North Coast Commercial now has:

A dedicated account manager to handle issues quickly

Access to a reliable, nationwide network of haulers

Flat, upfront rates with no hidden fees

The Results

Dumpsters.com Account Manager Leann Wiseman received praise for her work from North Coast Commercial Director Michael Stefan, who said, "Leann Wiseman gets stuff done!" Through the streamlined waste removal service Dumpsters.com provides, North Coast Commercial has been able to overcome obstacles like bad weather and save thousands of dollars.

The Experience

"Dumpsters.com helped us greatly. I can't imagine receiving that type of service from our previous provider."
